From Charlie Chaplin's parody of the great dictator to Richard Pryor's demysticism of racism, the funniest, noblest comedy has always been rooted in hostility to oppression. Now Ron Jenkins shows how comics around the world use their art to combat political and social tyranny in Plato's Two Comic Apologies of Socrates: Comedy and Laughter in the "Symposium" and "Phaedo". David Alan Luljak - - Dissertation, State University of. Subversive laughter: the liberating power of comedy. Responsibility: Ron Jenkins.
